Reading club will be a time for students to relax and dive into a book after a day of schooling. This class is ideal for both independent readers and novice readers. Each class will begin with an engaging read-aloud book- chosen by the students. Students will then get the opportunity to choose a book to read independently, with a partner, or with the teacher. This class also promotes a love of reading and helps students realize that reading can be fun. We have many different fun reading activities such as "flashlight reading," M&M reading," "adopt a pet to read with," and much more! The most exciting part is that at the end of each class, students get to choose a brand-new book to take home and keep. Whether your child just wants a relaxing environment to read some of their favorite books in, or if your child needs some extra reading support and practice with a teacher, reading club would be a wonderful extra-curricular activity.
